MOHS Sole Source: (If Applicable)

MISSISSIPPI OFFICE OF HOMELAND SECURITY SOLE SOURCE PROCUREMENT FORM

Sole source procurement is procurement through solicitation of a proposal from only one source. Sole source procurements must adhere to the standards set forth in 2 C.F.R. § 200.320(c) in the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.

The use of sole source procurement is discouraged and should only be used if comparable items are unavailable. Sole source procurement will be awarded only under exceptional circumstances and must follow precisely the procedure set forth in the Mississippi Procurement Manual (3.109-3.109.04-Effective 1/1/2018) and the federal requirements.

Conditions for Use of Sole-Source / Research Procurement(s) Sole-source procurement is not permissible unless a requirement is available from only a single supplier. A requirement for a particular proprietary item does not justify sole-source procurement if there is more than one potential bidder or offerer for that item.

If a sub-grantee is considering a sole source procurement for an item, it is the responsibility of the sub-grantee to follow all procurement rules.

1. All sole source procurement requires the prior written approval of the Mississippi Office of Homeland Security-State Administrative Agency (SAA).
2. Submit the Sole Source Procurement form with the sub-grantee Signatory Official signature prior to purchase and follow the requirements according to dollar amounts as outlined in the Mississippi Homeland Security Grant Program Procurement Procedures.
3. Send the form to the following address to the Mississippi Office of Homeland Security at mohsgrants@dps.ms.gov.
4. Upon review and receipt of the Sole Source Procurement form, a response will be provided to your agency via email.

SOLE SOURCE PROCUREMENT FORM

Grant Number: _____

Sub-Grantee Name: _____

This form must also contain sufficient documentation to justify the request and should address the following information:

- Brief description of the program and need for the item.

- Complete description of requested item(s) as they are listed in the grant application, and costs for which the sole source procurement is being sought.

- Explanation of need to contract noncompetitively to include the expertise of the contractor, management, responsiveness, knowledge of program, and experience of contractor personnel.

- Time constraints such as when contractual coverage is required and why, impact on the program if dates are not met, time it would take another contractor to reach the same level of competence (equate to dollars if desired).

- Uniqueness of the item:

- Other points that should be expressed to substantiate the request.

- A declaration that this action is in the “best interest” of the agency.
